Do you just need to talk to someone who has been there?

Do you want a new start and get HOPE in making that change?

Introducing the “Living Room” A Crisis Diversion Program

As a guest in the “Living Room”

- you will be able to experience a setting filled with hope, strength, resources, and peacefulness.
- you will be able to talk to a medical health professional. Talk to peer specialists who have also gone through crisis.
- you can come and go as you choose, you can start planning the direction you want to go.

The “Living Room” has been designed to meet your individual needs. There are NO cookie cutter solutions.

The “Living Room” is run and led by the only peer agencies in Erie County. You can tap into their resources.
